

FAMILY FRAGMENTS

PREAMBLE: My interest in genealogy began late 1999. Over the years, a good deal of my findings were published on www.pelteret.co.za/genealogy. In October 2012, I decided to move on and explore other interests.

However, the correspondence relating to prior publications did not stop. Between 2011 - 2020 over 230 persons have been in touch, either providing information complementing that published earlier or seeking specific information. A good deal of the correspondence represented considerable work and decided research acumen on the part of the correspondent.

I have been prevailed upon to publish particularly worthwhile material as an addendum to my original publications. These are they.

FAMILY NAME: KOTZEE / KOTZE / KOTZÉ 1

Annemie Lourens, Malmesbury : 2006/11/11, 1:40 pm

I looked at the Kotze family tree, if you don't mind I would like to have more information on a specific Kotze. She is Maria Jacoba Kotze , born 19/11/1774 [b2c5d5] and she was married to Johannes Nicolaas Louw. They had four children , of which one was Jan Jurgen Louw and I noticed her dad was Jan Jurgen Kotze. The Jan Jurgen Louw , is a Louw family name in the Swartland and unfortunately the name died out, there is only one 4 year old boy left with this name and I had to convince my cousin to name his boy. I would like to have more information about Maria Jacoba Kotze and her father, if you have any more information that is available on the site I would like to have it. If you are interested in more information about her children , I will send it to you.

I also photographed half of Malmesbury's old graveyard and there is photo's of Kotze graves that I can send to you if you are interested.

Last July my brother-in-law died suddenly [heart attack] and he has left behind 2 very young toddlers. They are now 1 and 3yrs of age and it is for them that I'm trying to find the family tree; as I think it is important for them to know their roots. My brother-in-law, Heinrich Oostewald Kotzé (known as Hein) was an only child and the babies will now only see their oupa once a year, as he lives in Paarl and they are just outside Pretoria. His father's name is Hennie (this may be short for Hendrik) and I have been told he is from a large family. Hennie's wife's name was Dorothy (known as Dot) unfortunately I don't know her surname, but she was from Cape Town. Heinrich has been buried next to his mother in Paarl cemetery. The only other bit of information I have regarding the Kotze family is that Hennie's Dad had a vineyard, but after his death his wife sold it as none of her sons showed any interest in it. Three of Hennie's brother's are Piet, Dries and Frans. (I am unsure as to whether these names have been shortened) I'm sorry that it is all so sketchy, but living in Britain I am finding it very difficult to get any information. I'm really hoping you can help.
